Supervisor Alberico announced that the shingle shot program took place on Tuesday May 3, 2016. He expressed how happy he was with the amount of seniors that had showed up. There were 29 residents who received their vaccinations. He stated that there were 21 residents that are still on waiting list and the next schedule date on August 2, 2016 has already been filled with 29 residents. He suggested to the Board to schedule the program for one day out of the year and have every senior that applied vaccinated so individuals will not have to be put on a waiting list. Supervisor Alberico also commented that the Township funding will be the same amount for the year, so why make seniors wait. All maintenance will be covered through Pace and the only cost to the Township will be rental cost and the fuel expense.
