Clerk's Report - Deputy Clerk Michele Rutter reminded residents that the Clerk's Office will offer Early Voting hours for the upcoming March 15, 2016 General Primary Election. Central Square Report - Supervisor Alberico provided a copy of the IGA (Intergovernmental Agreement) dissolution agreement with Central Square. Since the Township is moving out of the building it is a dissolution of the Partnership. Supervisor Alberico explained this was a draft provided by the City of Lockport attorney. Township Attorney Mueller reviewed the draft and said the only issue he thought needed to be addressed was a balance that remains in the budget at the end of the fiscal year and how those funds would be distributed. He advised Supervisor Alberico to request splitting the balance 3 ways between the entities. Attorney Mueller said since it is not in the draft, it needs to be made clear that it

be included. Attorney Mueller went on to say that the document sent back to Supervisor Alberico will be very similar to the draft with the addition of language addressing the budget balance distribution.

Since the document is still in draft form it will be tabled for approval until next month.

Jim Valtman and Therese Sundberg with SWCCB addressed the Board with a request to use the newly purchased Township building on Farrell Road for their band practice and for concerts. They passed out information on their organization and gave a description of what they do. They are structured to be an educational performing organization. They have 60-70 members and perform indoor and outdoor concerts. Supervisor Alberico is in favor of hosting the band. Trustee Batusich expressed his concerns last month and again at this time with having anyone in the building before the Township takes occupancy. Valtman said they are open to any ideas where they can rehearse in the interim. Alberico agreed to work with them to try and help out. Trustee Batusich reiterated we are in the early stages of getting the building ready for occupancy. Trustee Morelli asked if they considered practicing at the High School. Valtman responded they are not for profit and can't afford any rental fees. Alberico agreed to continue working with the band to seek a place for practice.

Attorney Mueller told the Board to consider that they have to go to the Electors for approval to rent out any part of the Building. A standardized agreement can be used, but the board will have to ask the permission of the Electors.

Alberico agreed to continue working with the band to seek a place for them to practice. Alberico felt once we were in the building the Township could possibly house the band.

Alberico said it is too early to predict a timeline of when the Township will move into the building. Supervisor Alberico thanked Jim and Therese for coming to the meeting.
